## A little more about our Camp Wide Events:

**Camp T-Shirt Day—June 22** Wear your camp T-Shirt! On certain Fridays campers will wear their camp T-Shirts. This adds to the community feel of camp during Shabbat.

**Water Carnival—July 3:** Miami Beach is hot in the summer! There is no better way to spend some time outside than zipping down water slides, riding paddle boats and having extra swim time with your camp friends. The Water Carnival is so popular with the campers we offer it twice!! Please send your camper to camp in a bathing suit and wearing sunscreen- water shirts are encouraged for these days.

**Olympic Day—July 16:** This summer we will be participating with 742 other camps around the United States in Olympic Day. Get ready for some Jello throwing javelin, two legged races and so much more silliness!

**Parent Shabbat—July 20:** Camp Shabbat takes place every Friday at camp. On certain Fridays we invite parents to participate in our special camp tradition. Come join your child as we sing camp songs, learn the meaning of Shabbat and say the blessings over the candles, grape juice and Challah. If you are lucky, your camper will even share their Challah with you!

**Parents Welcome**

**Israel Day—July 27: Celebrating Israel @ 70!** With the help of our Israeli Shlichim and the JCC Maccabi Team Israel, we spend the day learning about Israel and having a Pep Rally for the Israeli basketball team. Through interactive stations campers will “milk a cow” on a kibbutz, climb Masada, experience boot camp IDF (Israeli Defense Forces)- style, leave messages in the Kotel and listen to stories in a Bedouin tent. Wear Blue and White!

**Water Carnival—August 9:** Miami Beach is hot in the summer! There is no better way to spend some time outside than zipping down water slides, riding paddle boats and having extra swim time with your camp friends. The Water Carnival is so popular with the campers we offer it twice!! Please send your camper to camp in a bathing suit and wearing sunscreen- water shirts are encouraged for these days.

**Color War—Surprise!:** This is the highlight of the summer for many campers and staff. Camp is divided into 2 teams. Color War is a friendly competition and events are planned so that every child can be a part of the fun and have a moment to shine. There are Color War rules, but bottom line: we are teaching campers about displaying good sportsmanship skills, and winning and losing.
