ART & ME

Through art children can learn and explore with exciting and messy open-ended unconventional art materials. Little ones learn about colors, textures, and shapes while developing fine motor skills and expressing their creativity. Come dressed to get messy.

YOGAMUSIC

Come ready to share, sing, play, learn yoga poses and creative breathing exercises, and enjoy relaxing connecting time. YoMu is a unique experience combining yoga with the power of live music.

LITTLE MUSICIANS WITH JOSEPHINE & JC

Join Josephine and JC for a fun and engaging musical experience that nurtures your child's love for music while providing a wonderful opportunity for parent-child bonding.

Josephine and JC are a dynamic husband-and-wife duo based in Miami Beach, where they live with their three-year-old daughter. As bilingual teachers, they cater to children of all ages, specializing in guitar, piano, percussion, and vocals.

TINY HIP HOP

Want to learn some cool dance moves, get active, make new friends, and have loads of fun? Each class starts with a warm-up that includes freestyling, stretching, and exercises to get you moving. Then, we jump into awesome choreography set to the latest popular songs, mixing old and new school Hip Hop. *Uniform Shirt is included.*

MINI BALLET

Each week, we'll explore the timeless beauty of ballet, from the foundational techniques to the elegant and expressive movements that tell stories through dance. Learn about proper posture, precise footwork, and the art of pirouettes and arabesques. Our class will help you develop strength, grace, and poise, whether you're at the barre or gliding across the floor. Join us to discover the magic of ballet and express yourself through its classical form. Let's dance and transform together! Dance Leotard included

LITTLE TUMBLERS

This gymnastics class offers age-appropriate introduction to gymnastics using creative expression and movement through the use of playful games and all of the gymnastics equipment with lots of parental hands-on assistance. Parental involvement provides toddlers with a comfortable environment in preparation for the transition to independent gymnastics classes. Children will bounce, swing, and roll their way through this class.

TOT GYMNASTICS

Children are introduced to each gymnastics apparatus and taught introductory gymnastics skills and body positions that help develop coordination, balance, strength, and body awareness. Children will also learn valuable social skills, such as working with a group, waiting your turn, listening to directions, and following directions

JR. MIGHTY MITES/MIGHTY MITES WITH PARENT

Jr.: Parent participation required | Mighty Mites: Parent must be present
Have a blast while learning new games! Children will learn how to run, jump, kick, throw, catch, skip, and much more. This class will help build balance, strength, coordination, and focus on gross motor skills while having lots of fun.

WATER BONDING: PARENT & CHILD LEVEL 1 WITH PARENT

We will play games and sing songs so that your child can associate the pool with a fun experience with mommy or daddy. Our highly trained instructors provide you with the tools to make your babies strong swimmers and improve both physical and cognitive development. It takes 250 hours of water time for your child to become a strong swimmer, and most importantly, for you to have piece of mind in and around water.

BABY DOLPHINS: PARENT & CHILD LEVEL 2

WITH PARENT

PREREQUISITE: WATER BONDING

You and your baby have completed more than 150 hours in water. This class will continue with accelerated skills that go along with a wide selection of games and songs. Through the progression and development, babies will learn to protect themselves from danger, and understand and respect the water. They will realize their limits and slowly reach aquatic independence

GUPPIES SWIM GROUP WITHOUT PARENT

This class is for the precocious and daring toddler that can play in the class without mommy or daddy. The child has successfully gained enough strength and coordination to take a breath in the water. The child has advanced language skills and has the ability to be without a parent. Some swimming experience with an instructor preferred.

TUMBLING MINNOWS

This exciting group enables children to swim independently from the parent. The swim instructor understands that children are just learning to take turns, share toys, and demonstrate skills in a fun loving environment filled with many "High Fives." Students are exposed to essential safety skills: jumping, diving, dog paddling, crawl, floating, swimming to the bottom, and swimming on their back.

PRIVATE SWIM LESSONS

In a hurry to see your child learn to swim? This alternative may help your child to accelerate the learning process. Our private lessons offer a one swimmer to one teacher ratio. We have the best teachers that will guide people of all ages, from baby to adult, through Swim Gym's specialized learn-to-swim program. Call swim gym to schedule at (305) 534-3206 x217
