DANCE

Mady's Dance Factory provides dancers the opportunity to study the art of dance with top instructors. We aim to maintain an uplifting, motivating, and supportive environment where the dancer experiences that joy and transformation on the body and soul that we like to call DANCE. We believe in freedom in music and movement. Dance is the secret to happiness and stability and we spread this message to our students. Come explore your personality and get in touch with your inner self through dance!

JAZZ & CONTEMPORARY:

Get ready to ignite your passion for dance with our electrifying class, where we dive into a new dance style every week! Join us on a thrilling exploration of Jazz and Contemporary. Each session, we'll master a different genre, covering everything from essential terminology to the dynamic jumps, breathtaking leaps, and expressive floorwork. Discover the elegance and fluidity of movement that makes each style unique.

Let's dance our way through the rhythms and transform your energy into art!

***Uniform included.**

HIP HOP

Want to learn some cool dance moves, get active, make new friends, and have loads of fun? Join us! Each class starts with a warm-up that includes freestyling, stretching, and exercises to get you moving. Then, we jump into awesome choreography set to the latest popular songs, mixing old and new school Hip Hop.

***T-Shirt included.**

JUNIOR BALLET

Step into the world of ballet with our enchanting class that welcomes dancers of all levels! Each week, we'll explore the timeless beauty of ballet, from the foundational techniques to the elegant and expressive movements that tell stories through dance. You'll learn about proper posture, precise footwork, and the art of pirouettes and arabesques. Our class will help you develop strength, grace, and poise, whether you're at the barre or gliding across the floor. Join us to discover the magic of ballet and express yourself through its classical form. Let's dance and transform together!

***Uniform included.**

HIP HOP TEAM

Get ready to groove with our Hip Hop Dance Team! We're welcoming young dancers in two age groups: Grades K-1 and 2nd grade and above.

Practices are set for Mondays and Thursdays every week, so make sure to mark your calendars! Please note that there are additional costs for competition uniforms, competition fees, and participation in the sporting event. We will provide detailed information about these expenses once dancers have made the team.

For our returning dancers, there's no need to re-audition—your spot on the team is secure. New to the team? We'll be holding auditions during the first week of classes, giving everyone a chance to show off their moves and join the fun. Come dance with us and let's make this season unforgettable!

***T-Shirt included.**

ACT IT OUT

Hosted by Area Stage, Act It Out! is the ultimate introduction to acting for young performers in 1st grade and up! In this high-energy, imagination-fueled class, students will dive into the world of theatre through fun games, creative storytelling, and character play.

Each week, students will build confidence, learn teamwork, and develop performance skills—all while having a blast! From silly skits to dramatic scenes, Act It Out! helps kids express themselves, find their voice, and shine both on stage and off.

Whether your child is a future star or just loves to play pretend, Act It Out! is the perfect place to start their theatrical journey. No experience needed—just bring your imagination!

ROCK BAND

The program is designed to produce performing ensembles and talented young musicians. Classes are taught by nationally acclaimed musicians in an environment that nurtures individual achievement and creativity, allowing our students to reach their full musical potential, starting from the bases, while developing a life-long love of the arts.

ROBOTICS, CODING & GRAPHIC DESIGN

MINECRAFT CODING, DESIGN, AND ROBOTICS

Easy to follow step-by-step projects introduce young minds to text-based coding and design concepts. Encourage creative thinking, self-expression and problem solving. Minecraft is the most engaging way to get excited about coding and design.

GAME AND APP DEVELOPING-CODING

This is an exciting and dynamic class that introduces fundamentals of game design and app development. The Bitbox platform is user-friendly and students will learn to develop their own mobile applications, exploring key aspects of user interface design, functionality of programming and testing procedures. The Kodu platform uses intuitive block based coding to help students build navigate and modify their own 3D game worlds, gaining hands-on experience with game mechanics, character development and level design. Additionally this class will enhance critical thinking, problem-solving, creativity, and digital literacy.

KRAV MAGA

Krav Maga is an integrated system of self-defense, combat and fighting, VIP and third-party protection, avoiding, preventing all type of violent confrontation. The training process for kids and teens also places emphasis on the development of important personality traits such as: courage, self-restraint, self-discipline, creativity, leadership, self-confidence, ability to make decisions in stressful situations, and the understanding of when to use it.

Rewards and levels will be represented by patch system.
