## ART

### CREATIVE CERAMICS & CLAY

Unleash your creativity! Young sculptors are taken step-by-step through the process of building and creating. Learn a variety of sculpture techniques and decorate and glaze projects for firing.

### SCULPTURE & CERAMICS (INTERMEDIATE+)

Designed for students with previous clay experience, this class provides a variety of hand building techniques for making sculptures and functional wheel thrown pieces.

### ART & CRAFTS

Mixed Media, paper mache, printmaking, drawing and more! Explore a variety of mediums and create unique works of art.

### PAINTING & PRINTMAKING

Step by step instructions lead to beautiful works of art. Learn the fundamentals of painting and printmaking with various mediums.

## DANCE

Mady's Dance Factory provides dancers the opportunity to study the art of dance with top instructors. We aim to maintain an uplifting, motivating, and supportive environment where the dancer experiences that joy and transformation on the body and soul that we like to call DANCE. We believe in freedom in music and movement. Dance is the secret to happiness and stability and we spread this message to our students. Come explore your personality and get in touch with your inner self through dance!

### UNIFORM:

- Madys Dance Factory/MBJCC Shirt
- Comfortable bottoms to move around
- Sneakers or dance shoes

### OPEN DANCE CLASS

This class is designed to teach you a variety of dance styles weekly! We will take you on a journey to explore different styles of dance including: Lyrical, Jazz, Contemporary and Ballet! Each week we will focus on a new style and teach you the terminology, jumps, leaps, floorwork, grace and fluidity of movement.

### DANCE TEAM

Attention Hip hop Dancers who want to take it to a higher level: We are looking for the greatest dancers in town and want you! This team will rehearse throughout the season, compete at a Regional Dance Competition and a local Event. Auditions are required. Performance fees & uniform not included class fee.

### HIP HOP

Whether you're looking to pick up a few moves, get some exercise, meet new people or just have a lot of fun, we've got it all here for you! Each class starts with a warm-up full of freestyling, stretching and conditioning guaranteed to get your heart pounding. Then we move into choreography set to today's groove-worthy jams which combines old and new school Hip Hop and adds in a touch of Latin, African, Modern, Swing, House, or whatever else is blowin' up the dance floors today. All of this is wrapped in a package that promises to challenge even the most seasoned vets while still allowing complete beginners to get a solid and fun introduction to dance.

## PERFORMING ARTS/DRAMA

### PERFORMING ARTS/DRAMA

In this Performing Arts class, students will learn what Broadway is all about. They will utilize different skills such as memorizing spoken dialogue, storytelling, teamwork, movements, self expression and stage presence. Students will be educated on how to Dance, Sing, and Act then assemble all their newly discovered talents for their final Showcase. Your child will have the opportunity to grow in their confidence, listen to all their favorite Pop songs, and experience what it's really like to be in a Broadway Show! Open to all levels, no previous training required."

Dress code:

- Comfortable clothing for the child to move around in (t-shirt/shorts/leggings) {bad example: jeans of any sort, nice blouse/dress}
- NO flip-flops or sandals
- Tennis shoes/Sneakers are preferable if child does not already own ballet or jazz shoes.

## ROBOTICS, CODING AND GRAPHIC DESIGN

### MINI ROBOTICS

Using tablets and a specialized software in an easy-to-use programming environment, kids can build, program and see their creations come to life. Mini robotics themes will cover life, physical, earth, and space sciences, as well as engineering.

### ROBOTICS

Children will enjoy using specialized robotic pieces to experiment with motors, sensors, and programming. As they advanced the children will begin learning programming techniques like data wires, variables, and custom-made programming blocks.

### CODING AND GRAPHIC DESIGN

- Learn block-based coding in a fun and engaging way using Kodu Game Lab
- Design your own video game
- Introduction to programming using HTML, CSS & JavaScript
- Create web pages, explore graphic design and 3D printing

## KRAV MAGA

Krav Maga is an integrated system of self-defense, combat and fighting, VIP and third-party protection, avoiding, preventing all type of violent confrontation.

The training process for kids and teens also places emphasis on the development of important personality traits such as: courage, self-restraint, self-discipline, creativity, leadership, self-confidence, ability to make decisions in stressful situations, and the understanding of when to use the knowledge.

Rewards and levels will be represented by patch system.

## YOGA

### YOGA & MINDFULNESS

Come ready to share, sing, play, learn yoga poses and creative breathing exercises, and enjoy relaxing connecting time. YoMu is a unique experience combining yoga with the power of live music.
