WATER BONDING: PARENT & CHILD LEVEL 1 WITH PARENT

3 - 15 MONTHS

We will play games and sing songs so that your child can associate the pool with a fun experience with mommy or daddy. Our highly trained instructors provide you with the tools to make your babies strong swimmers and improve both physical and cognitive development. It takes 250 hours of water time for your child to become a strong swimmer, and most importantly, for you to have piece of mind in and around water.

BABY DOLPHINS: PARENT & CHILD LEVEL 2 WITH PARENT

16 - 30 MONTHS

You and your baby have completed more than 150 hours in water. This class will continue with accelerated skills that go along with a wide selection of games and songs. Through the progression and development, babies will learn to protect themselves from danger, and understand and respect the water. They will realize their limits and slowly reach aquatic independence.

GUPPIES SWIM GROUP WITH PARENT

30 MONTHS - 3 YEARS SWIM GROUP

This class is for the precocious and daring toddler that can play in the class without mommy or daddy. The child has successfully gained enough strength and coordination to take a breath in the water. The child has advanced language skills and has the ability to be without a parent. Some swimming experience with an instructor preferred.

TUMBLING MINNOWS

4'S SWIM GROUP

This exciting group enables children to swim independently from the parent. The swim instructor understands that children are just learning to take turns, share toys, and demonstrate skills in a fun loving environment filled with many "High Fives." Students are exposed to essential safety skills: jumping, diving, dog paddling, crawl, floating, swimming to the bottom, and swimming on their back.

ACROBATIC SHARKS

5 - 6'S SWIM GROUP

Ready for kindergarten and first grade, children learn safety and fun skills as well as real stroke technique. These children learn to love swimming with the fun and games of freestyle, backstroke, breaststroke and butterfly lessons. Seeing such skills develop at this age is amazing!

SOARING DOLPHIN

6'S & OLDER SWIM GROUP

Jump in and be part of this group of swimming "friends." At this level, swimmers advance significantly in diving, freestyle, backstroke, breaststroke, butterfly and turning techniques. Classes are adapted for beginner, intermediate and more advanced swimmers.

SWIM ACADEMY

7-11 YEARS

Swim Gym at the MBICC has prepared an exclusive competitive program to improve advanced stroke techniques and turns to swim competitively. Swim Team will help swimmers refine their performance through improved swim, dive and turn techniques in all four swimming strokes: freestyle, backstroke, breaststroke and butterfly.
