AB Athletics is a year-round soccer development program uniquely situated near the scenic Miami Beaches. Our mission extends beyond the field, focusing on shaping young athletes into well-rounded individuals ready for the challenges of life. We believe that the foundational skills learned through soccer, discipline, teamwork, and resilience are the building blocks for a successful future.

MORE THAN JUST A GAME

At AB Athletics, we are dedicated to developing the whole person. Our program is built on three core pillars:

Athlete Development: Our highly qualified coaching staff uses modern training techniques to focus on each player's individual growth. We aim to maximize their potential on the field by focusing on skill development, game intellingence, and physical fitness.

Character and Citizenship: We believe that the values learned in sports translate directly to life. Through mentorship and community service initiatives, we instill a strong sense of responsibility and integrity in our athletes. We empower them to become model citizens who understand the importance of gving back to their community.

Family unity and Work Ethic: We are more than just a team; we are a family. We envourage parents to be actively involved in their child's journey, creating a suportive network that promotes unity and mutual respect. our program reinforces a good work ethic through consistent effort, dedication and the understanding that success is earned, not given.
